

# Walshes Resident Support Group

A new Residents Group open to anyone who lives in the Walshes area has now been established so that residents can look at their priorities for the area.

Currently the group are focusing on Cleaner, Safer, Greener (CSG) which is part of the Keep Britain Tidy campaign. It's main aim is to bring long term improvements to the local area.

The local priorities will consider areas around maintenance of communal areas, fly tipping, refuse collection and graffiti. The project is being led by The Community Housing Group and brings together key partners including residents, Police, Wyre Forest District Council and elected members to drive the project forward.

If you would like to become involved with the Walshes Residents Support Group, why not pop along to one of our meetings or even join us on a walkabout.

All meetings will take place at  
Walshes Community Centre  
from 6:00-7:30pm
